Yjastros Flamenco Company of Albuquerque's National Institute of Flamenco. The soul of Spain's dance origins.

Two years in the planning our collaboration with NiF brings their *Yjastros* professional company to Dallas, whence we'll return the favor on March 15 & 16 at Albuquerque's National Hispanic Cultural Center. Founded in 1982 by matriarch Eva Encinias NiF has developed a global network with the best Spanish dance education in the US. They will be joined on stage by the celebrated young Spanish choreographer Daniel Doña whose knowledge of historic *Danza Española*, of *Éscuela bolera* and more modern developments will bring an exciting look at this voyage from 16th c. Spain in dance and music to an outburst of flamenco with *Yjastros* dancers, accompanied by a renaissance ensemble of ONS musicians and flamencos on stage. With theatrical flair Daniel will be accompanied by Cristian Martín, soloist for the production and the teaching Residency. **\$75 / 50 / 25 / \$10 students***
